Scheme/Plan/Option									
E-mail									

I/We wish to opt for/revise Trigger / Alert option as indicated here below.

Please note the following:

- Under Trigger option, action selected in Section B will be carried out when criteria specified in Section A is reached, on any business day as defined in the Scheme Information Document (SID).
- Under Alert Option, only a notification vide an e-mail will be sent when criteria specified in Section A is reached.
- Request for all Triggers will be carried out only after expiry of the relevant scheme specific investment lock-in period/s.
- Only one Trigger can be selected per transaction for a Scheme, Plan & Option. A Trigger/Alert once actioned upon will stand annulled.
- Kindly note that Trigger/Alert including any modifications thereto shall be activated only when the activation request is captured in the records of the Principal Pnb Asset Management Co. Pvt. Ltd. (AMC)
- Trigger/Alert will be considered only in respect of units held.
- In case of switch into another Scheme of Principal Mutual Fund pursuant to election of a Trigger option, the same shall be subject to the terms/ features, including load structure etc., of such other elected Scheme.
- Trigger/Alert option is not available under asset allocation programme.

Declaration:

I/We confirm that I/we have read and understood the terms and conditions concerning Alert / Trigger as detailed in the scheme specific SID and further understand that the contents of this form shall be deemed to be part and parcel of the main Application Form and further that if the above triggers/alerts are not activated and/or implemented due to any reason whatsoever, I/We would not hold the AMC responsible. Further if necessary the AMC may at its discretion initiate and carry out any adjustments to correct any credit/payment/switch entries or otherwise, made erroneously to me/us. This authority shall remain in effect until revoked by me/us in writing.

I/We understand that the AMC reserves the right to amend/terminate this facility for Trigger/Alert at any point.
