MONEY FACTS

Stocks

what's HOT

After a weak fortnight, all indices ended in the red. The best relative performer was the financial services sector with a marginal fall of 0.4% in its overall market-cap. City Union Finance was the only gainer in the sector, up by 1%. Indiabulls, was the worst hit; its stock declined 10% over the fortnight. Among others that followed were First Leasing and Magma Leasing which declined 9% each along with housing finance companies. HDFC and

| Companies | 21-Feb | 7-Mar | +/(%) |
